Ten Seniors Receive Principal Awards

Among the most cherished honors presented each Honor Day at Tech are the "Principal Awards."

When Tech opened in September, 1921, Milo H. Stuart began his leadership of the school. He came over from Manual High School when the city school system started this new school on the former Civil War arsenal grounds.

DeWitt S. Morgan, another distinguished educator, became Tech's second principal and later became superintendent of schools.

Tech's third principal, Hanson H. Anderson, was one of the school's original teachers. After his retirement in 1958, he was succeeded by Cecil McClintock.

Tech's immediate past principal is Howard L. Longshore, who continues to work for city schools as supervisor on the Planning Dept.

PAGE 1 HONORS KEY:

STUART SCHOLARSHIPS: for a boy or a girl who have used their talents for the finer interests of the students and the school.

MORGAN SCHOLARSHIPS: for a boy and a girl who have shown good citizenship.

ANDERSON SCHOLARSHIPS: for a boy and a girl who have shown loyalty to Tech and leadership in service in school activities.

McCLINTOCK SCHOLARSHIPS: for a boy and a girl who have prepared well for a career and who have a particular devotion to Tech.

LONGSHORE SCHOLARSHIPS: for a boy and a girl who have helped achieve a better understanding among fellow human beings, have developed a mature manner, and have demonstrated loyalty to the school.

Departments Recognize Top Seniors

The outstanding senior student(s) in most of Tech's many departments (awards are not mandatory) are presented engraved plaques each Honor Day.

The criteria for these awards vary a bit from department to department, but the general rule is that each award winning senior must have majored in the subject, must have received high grades, and must have the recommendation of teachers in the department.

Some students enhance their chances of receiving the highest department award by demonstrating initiative, as by carrying out special projects or entering contests.

Some of the awards listed below show a name in parenthesis. Where such a name occurs, it is the last name of a Tech teacher who distinguished himself or herself while serving on that department's faculty.

Thus, tradition continues — as does the tradition of using the second name, "Supreme Day," for our Honor Day. It was on May 22, 1916, that the Indiana Supreme Court ruled to let the former arsenal grounds continue to be used as a school — without end!

Activities Awards Given

Engraved plaques are also given to Tech seniors chosen for activity awards (the exception below being the Ella Sengenberger Scholarship, which is presented by the Arsenal Cannon Alumni Association, Inc., rather than by a Tech group).

These awards represent high achievement in school-directed extra-curricular activities. How such athletics, speech, drama, program production, and the school newspaper and yearbook add to the life of Tech!

CDT PFC Dawn Trobe was awarded the SAI Medal for First Year Marksmanship.

CDT 1LT Michael Shelton and CDT 2LT Janice Phelps were awarded the SAI Color Guard Medal.

Principal Ray Reed and CDT BG Duane Williams were awarded plaques by 1st SGT Neris Willis.

The command of the battalion was also changed in traditional manner. C/COL Denny Holt passed the position of battalion commander to C/MAJ Daniel Stock

MR. GAYLORD ALLEN

Congratulations To Mr. Allen Too

Thanks and congratulations to another kind of graduate — Mr. Gaylord Allen, who first substitute-taught here in 1940 and soon became well known and well liked among Tech students as a speech teacher and a drama sponsor. He guided the senior plays here from the mid-forties to the mid-fifties. He has been Tech's director of guidance since September of 1959.

A Tech High graduate himself, he received his first speech training at Tech. Also interested in journalism, he worked on Cannon staff three semesters.

Recently he was among the alumni who received Hanson Anderson awards for their achievements. That honor — like a happy retirement — are suitable rewards for such Tech faithful as Mr. Allen.

Major Senior Honors Include . . .

FACULTY MEDALS: for the two seniors who have the highest scholastic rating.

RILEY MEDALS: for the two seniors (excluding Faculty Medal winners) who have the highest grades in academic subjects.

PTA SCHOLARSHIPS: for a boy and a girl who excel in scholarship, personality and character.

BRADLEY SCHOLARSHIPS: for a boy and a girl who, through high school, have shown helpfulness and courage *(Barton Bradley, a Tech boy, gave his life to save a child from drowning).*

YENNE VOCATIONAL-TECHNICAL MEDALS: for the two who have demonstrated the greatest proficiency in either a vocational or technical area.

ALUMNI SCHOLARSHIPS: for a senior student whose personal characteristics, school records and relationships, and qualities of leadership show all-round development.

1978 Prom

Friday, May 19, 1978. There was a certain excitement in the air. It was prom night, 1978! Hours before the prom began, girls were running around making sure that everything was perfect for this special night. The guys, trying to maintain their image of cool, nervously walked up to their date's door and with an unsure, "Hello," the evening began. But on such a beautiful, starry night, it was impossible to stay nervous for long. And soon, all who attended were absorbed in the magic of the occasion! Senior prom queen and king were Michael Cheatham and Angie Brown. Sharon Maye and Terrence Chaney were junior royalities. As the night drew to a close, each member took home fond memories to treasure the rest of their lives.

My, what a beautiful crown!

After conquering many problems the 1978 musical "Sound of Music" was finally performed in the new Anderson Auditorium. The cast was fortunate to include an alumni of TECH, Bill Cox, as Captain Von Trapp who contributed to stellar performances by Charlene Stewart and Janet Wilburn. The portrayal of the children was also one of the highlights of the show. The directors of the musical congratulate all who contributed to making "Sound of Music" a tremendous success.

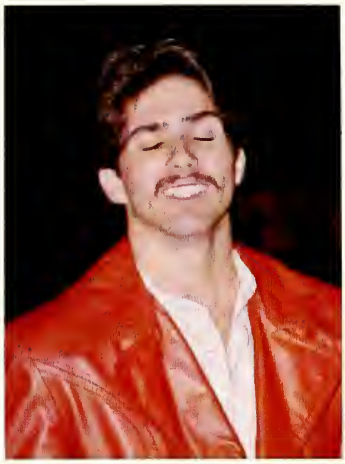
Titans Raid Ritter At Homecoming

Her Majesty, Joni Teepee.



Brent Fields: "This can't be happening!"

This was an especially exciting year. The past few years have found our homecomings a little less than victorious. But past was forgotten as the crowd shouted the countdown to victory. When the final whistle blew, the Titans found the scoreboard to read 19-7 and this homecoming night belonged to Tech!

Half-time festivities included fireworks provided by Key Club, a band show, judging of floats, announcement of senior class officers, and the crowning of homecoming queen and king.

The 1978 homecoming queen was Joni Teepe and Brent Fields took the honor of king. Roll room 702 walked away with first place trophy for their float.

This indeed was a very exciting and special evening!

Science: The Study Of Torture

Twenty-two hundred years ago in ancient Greece, Archimedes, Hippocrates, and Democritus devised a method to trouble teenagers forever. They called it science.

Captured by the lure of curiosity, students are trapped into performing such tasks as pouring random chemicals together and sniffing the obnoxious odors, rolling little cars across the floor, and digging around the organs of formaldahyde-ridden pigs, and intolerably forcing memorization of oxidation numbers.

Two periods a day, for two semesters kids torture themselves for learning's sake, trying desperately to acquire the knowledge and earn their credit. But it is harder for some than for others. Typically, there are types of students.

One is the mad professor. This disgusting, smart individual is the class pet peeve. He sits in his chair, absorbs every word of the teacher, never practices or studies, passes every test with a "100" and never-endingly asks questions like, "If the exothermic reaction of hydrocarbon oxidation in living organisms were to be supplanted by . . ."

Another type is the guy playing the fool. This guy doesn't know what is going on, and doesn't care either. This kid is always goofing off. He's the guy who blows up the chemistry lab, unwinds string all over the Physics room and dissects animals like a butcher.

And then there is the rest of us, going through various stages of neurosis trying to pass the course; at times broiling to the point of anger, when the teacher says, "You'll get it," or "it's so easy!" and yet, when the semester is ended, it's all been fun.

Home Economics

This year, the Home Economics Department has added two more classes to its list.

The Grooming class has more than quadrupled in class size in just one semester. In the first semester there was only one class period; the second semester took four class periods to cover all the enrollments.

The Custom Clothing Class, advised by Mrs. Marion Moore, Department Head, consisted of thirteen girls. They were responsible for most of the girls' dresses in Christmas-in-the-Round—nearly 100 dresses! This was certainly a big load off many of the girls' mothers and family this year.

Publications Pursue Progress

As scattered feet hurry across the floor, everyone's running around trying to meet deadlines. Busy little hands are pecking away at the typewriter, pencils, and rulers are being used and reused. That's how it usually looks in the Cannon Office, most of the time.

Everyday is a busy day for both Newspaper and Yearbook staffers. Hard work and many efforts are set forth to get the publications finished. Although everyone is busy throughout the year, and even though we often get tired and sometimes are discouraged, when we see our final publications, we all know that it's been a good, worthwhile year.

The computer seems to take on a personality for each student, especially in the computer math classes, where on line programming is used.

You might walk into one of the computer rooms and become involved in a discussion of the FORCE and the POWER: or you might see some poor student programmer pacing back and forth, hair messed up, gnawing on a pencil, and occasionally mumbling something to his fellow programmer who is sitting at the terminal half buried in paper, going over a readout sheet about a mile long, madly scribbling something down, only to scratch it out a moment later!!!

Coach Cline's 1977-78 Titans have carried on Tech's tradition for winning. The Titans avenged an earlier loss to Broad Ripple in the sectional opener 90-75, put a stop to North Central 68-61 and Cathedral in the sectional championship game 62-59.

After capturing their 19th sectional championship, the Titans played with determination and skill 59-55 despite much apposition. Ben Davis was next on the Titans list. They defeated Ben Davis in the final game 62-61 to capture the Regional championship.

Landon Turner potted a team high of 24 points for Tech, including 15 in the fourth quarter. Forward Paul Allen got 12 as did Jimmy Davis. Eric Greene scored four points and helped Landon with 12 rebounds.

Tech went on to win the first game of the semistate against Columbus East. They lost in the final game to Muncie Central by a very close score.

GIRLS TRACK

The girls track team of 1978 ended their season with a tremendous 12-1 record. This was the girls third consecutive year to win the city and sectional championships. The girls were also regional champions this year as they set a new record in the 880 relay event. The record setting team consisted of Dalphia LaLand, Wanda Smith, Shelby Smith, and Denyse Walker. In state competition, the young ladies made an excellent showing as they placed third.

Dalphia LaLand finished second in the state in the hurdles as Wanda Smith placed fourth in the 440 relay. Others who placed were Leslie Greene who placed fourth in the state in the shotput event, while Dalphia LaLand, Wanda Smith, Shelby Smith, and Debra Arnett participated in the medley relay.

The 1978 Titan baseball team held many fine athletes, and along with all their strenuous efforts, compiled a 4 wins, 11 loss record.

One of the outstanding players on the team was senior Gaylon McKinney. Playing at first base, he was regarded as one of the top fielders in the area.

Another fine player on the team was senior Leonza (Buddy) Quarles, an outstanding pitcher who pitched one of the few no-hit, no-runs games in Tech's history.

Voted most valuable player this year was junior catcher, Terrence Chaney.

The 1978 Reserve baseball team was only partially successful last spring with a 3 wins 5 loss record. With all the rain we had last season the reserves as a team only practiced outside 4 times at the most, and were rained out of 8 other scheduled games. Their record could have been 4 and 4 but they lost a hard fought game in the last inning to Roncalli.

Swimmers Take City

Titan's swimmers in their second season under coach William Farrell took the city title over Marshall by a score of 314-268. Arlington was third with 184.

Picked as the most valuable swimmer this year was Roger DeBruler. Other fine swimmers on the team were Larry Robey, Roland Jenkins and Chris Jones.

For the girls, Pam Ireland made a fine show placing 10th in the girls sectional.

Girls Tennis has become more popular this past season. With nearly every high school in our area building their nucleus for each individual team. Tech is no different. Coach Bea Harding started with 13 girls losing 5 during the season. The line up was changed from 5 singles and 2 doubles to 3 singles and 2 doubles, giving the coach 2 extra players. The girls finished with a 4-6 season.

Bryant gets the tip for the Titans.

Goodall, Good all the way.

The 1978-79 Girls' Basketball Team started off their season with a 47-31 victory over Attucks and finished with a 66-25 victory over Shortridge. During those wins, they accumulated a 13-5 record and the title as City Champs for the third year in a row. This year's team was a young one: consisting of two freshmen, six sophomores, and four seniors. The youngness of the team did not stop them from going into the sectionals and coming out winners, as they have done for the past four years.

Quarles, Up for two.

Gibson on the drive.

There is another part of sports that doesn't get enough recognition. It's the building part; which simply means, building up for Varsity. The Reserve Girls' Basketball Team is just that. The young Titans work just as hard and with great determination so they, too, can play on that all famous "Varsity Team." The reserve team of 1978-79 had a winning season of 12-6, including the City Tourney, in which they were runners up, losing by only one point in the final game. This type of playing and ability assures us that our Titan Teams of the future will be as tough and energetic as those in the past.

Honor Sweater

Honor day is when the seniors of 1979 receive their honor sweaters for their grade point average.

The averages must be an accumulation of 7.0 or better out of the possible 8.0 for three years.

Congratulations go out to the nineteen seniors that received their sweaters for maintaining this high grade point average during their high school career. We're proud of you.

The Legion is a senior honor society. Students are chosen for membership on the basis of merits accumulated during their high school career. The ten percent of the senior class with the greatest number of merits are elected to this society.

Merits are given on the basis of leadership, personality, and integrity. The boy and girl with the greatest number of merits are elected as Co-captains. The next four with the greatest merits are elected as commanders.

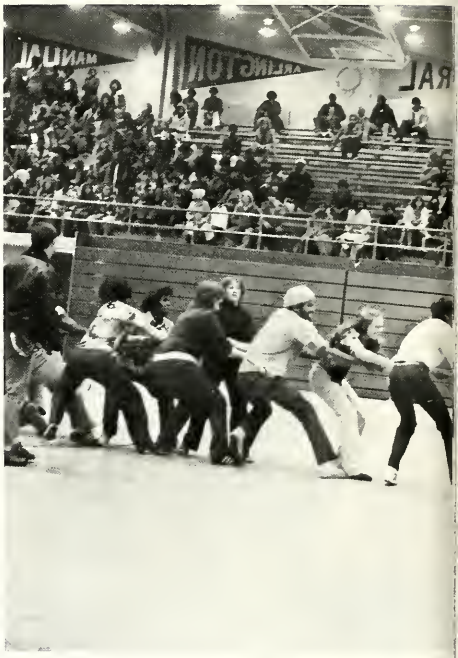
'79 Is So Fine

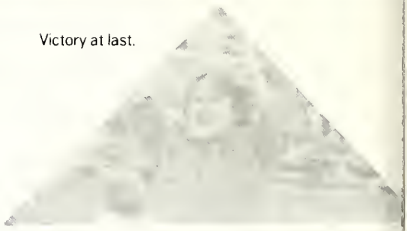
1 . . . 2 . . . 3 . . . Pull

648 tried but couldn't do it!



The Secret Weapon!!

Victory at last.



Pull 'em on the other side of town.

The senior class of 79 has a lot of pull, in Tug-of-war that is. The Roll Room with the most pull is 701. It was a tough battle between the six roll rooms even though 701 took a strong lead in the beginning.

After two days of elimination and one day of finals, 701 emerged victorious. With anchor man David Bostic, 701 had a very slim chance of losing!

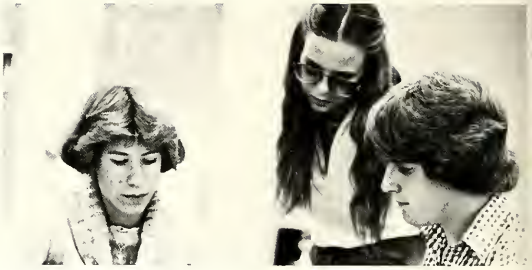
ACTIVITIES

A Yearbook Is Forever

With this thought in mind, this year's staff is busy creating what they think will be an outstanding book. With forty-one staff members there is a great deal of talent to be had . . . photographers, lay-out artists, copy writers . . . all are hard at work to bring you a great 1979 yearbook.



Editor-in-chief, Hollis Evans explains layout to Linda Parish and Anita Wilburn.

Left to Right; Bruce Lee, Sue Carson, Kim Richardson, Christine Skruggs, Diana Hicks, Leah Walcott, Hollis Evans, Tina Stewart, Jay Hood, Dan Stock, Patty Marshall, Randy Brown, Renae Osborne, Alma Napier, Lisa Aubry, Anita Wilburn. On Cannon; Keith Martin, Stanley Graves, Bill Carlson.

Cannon photographer catches glimpses of the professional way.

Kneeling; Linda Parish, Sandy Smith. Standing; Gary Davis, Anthony Adair, June Sanderson, Paula Pope, Pauline Peters, Loretta Coggins, Ruth Brown, Bridget Reed. On Cannon; Scott Malot, Charles Bear, Chris Davis.

Newspaper—Better Than Ever

Stacey Greene writes up copy for the newspaper.

Tech's newspaper has been around since 1912 when Tech became a school. It then was called the Hear-Ye, with question of the name. Spring of 1913 the paper became the Cannon, for the last 64 yrs. it has been the Arsenal Cannon and bringing you news from all over Tech's campus. News on sports, music, teachers, and all around Tech's campus. All of it is for YOU!

FRONT ROW; Susan Farley, Wynona Coggins, Robin Smith, Anthony Adair. SECOND ROW; Kim Dernard, Chris Davis, Sheery Bolinger. THIRD ROW; Neva Hagedorn, Loretta Coggins, Nancy Forbes, Anita Wilburn. FOURTH ROW; Debbie McDougall, Stacey Greene. FIFTH ROW; Dennis Eubanks, Chris Webb, Dennis Hayes.

Advisor, Mr. Tresslar works hard at his desk.

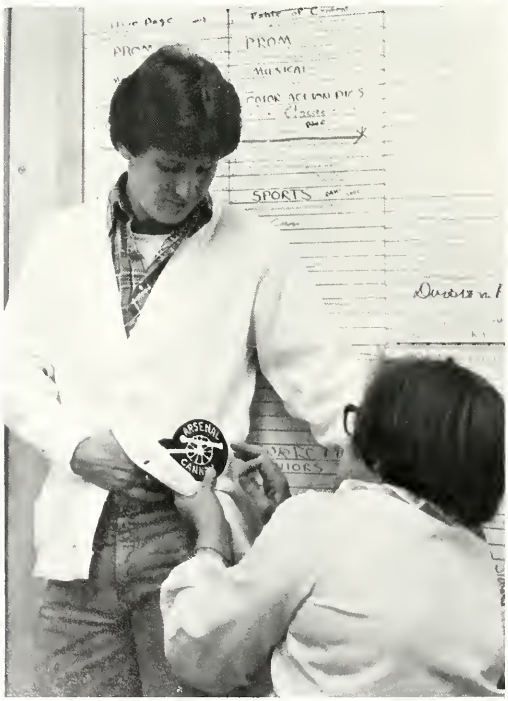
Editor-in-chief, Edwin Marshall checks over his rough draft.

Nancy Forbes, Page 2 editor prepares copy for newspaper.

Dennis Hayes selects the proper copy.

Chris Davis plans to print the Sadie Hawkins pics.

Yearbookers In Action



Joan Brown sews on the Cannon award emblem for Hollis Evans.

Debby McDougall works at the dryer.

Radio Broadcast, A Bunch Of Characters

Ever wonder who plays the music at Roll call? Who reads the bulletin during roll call? Who ever interviews your favorite coaches and teachers? It's the broadcast team on W.A.T.S. Giving you news from all over Tech's campus, telling you where all the important activities are going on at. The wild and crazy bunch is sponsored by Mr. Stan Minks.

I'm a wild and crazy guy, says Kent Smith.

Bridget Reeves knows how to jam.

FIRST ROW: Portia Sholar, Bridget Reeves, Mike Hawkins. SECOND ROW: Renae Osborne, Gina Durham, Natalie Gore, Kent Smith. THIRD ROW: Janice Smith, Tom McCreary, Mark Moore.

Speech . . .

Mike Hawkins and Robert Crabtree

Mrs. Alice Goodrum gives out sweepstake awards.

Many times every school year, a group of Titans climb out of bed at 5:30 on Saturday morning. What could possibly draw someone to do this?

Those kids are the very dedicated members of the Speech Team, and they do it to practice their art of speaking and drama.

The speech team is dedicated to developing public expression. Through the rehearsal of their various categories they perfect the skills necessary to be a convincing, effective speaker.

Richard Caudill keeps the members laughing.

Cindy Anderson, Renae Osborn, Edwin Marshall, Eric Greene, Amy Michael, and Tom McCreary.

NFL
National Forensic League

NFL members, First row: Scott Mallott, Susan Price, Amy Michael, Bridget Reeves, Renae Osborn, Portia Scholar, Sharon Maye, Mrs. Goodrum, sponsor. Second row: Jeff Davis, Richard Caudill, Daniel Stock, Susan Maxwell, Darleen Mathews, Gina Durham, Cindy Anderson. Third row: Tim Reed, Ruthe Brown, Tom McCreary.

Below: NFL Speech contest held at Ben Davis. Renae Osborn, Ruthe Brown, Joe Brown, Amy Michael, Roger DeBruler, Scott Mallott, Leann McElroy, Sharon Maye, Fred Lane, Angie Watson, Bridget Reeves.

Team members practice their speeches during their lunch hour and other free periods. Team sponsor Mrs. Goodrum provides the constructive criticism that improves the team to its peak.

Categories include, Original Oratory, Oratorical Interpretation, Dramatic and Humorous Interpretation, Poetry and Prose Reading, Dramatic Duo, Impromptu, Extemporaneous, Radio and T.V. Broadcasting, and Discussion.

Individuals receive points depending on their ranking in each round. Those who accumulate enough points are initiated into the National Forensic League. The N.F.L. is an organization of excellent speakers that have gained 25 points and have shown exceptional forensic ability. Any school with an active speaking program can have a chapter. The officers of this year's chapter are Bridger Reeves, President, Sharon Maye, Vice-President, Amy Michaels, Secretary and Ruthe Brown, Treasurer.

Anyone with an intense desire to speak, who is willing to work hard is more than welcome to join the team.

Sin is sin by any name!

Prosecutor Flint ponders his next.

Prosecution calls . . .

The widow Nancy Lee tells her story.

Guilty or innocent? This was a phrase often heard during the fall play, **Night of January 16th,** directed by Mrs. Alice Goodrum.

Was Bjorn Falker killed by his Secretary-Mistress, Karen Andre (Amy Michael)? Prosecuting Attorney Flint (Dan Stock) says yes! Can Defense Attorney Stevens (Sharon Maye) prove him wrong . . . ?

Defense attorney Stevens waits for a surprise witness.

And what did you do next?

"I Loved Bjorn!"

The jury listens carefully to each testimony.

Drama Club . . .

Drama Club: First Row: Eric Wright, Joyce Hunter, Tina Stewart, Vice-President, Kathy Mathews, Ruth E. Harry Nelson, Eric Wright, Warren Hoover, Tim Graves, Ruthe Brown, Nancy Forbes, Tom McCreary, Barbara Humphrey, and Tina Stewart. Try to find out why the elevator has stopped.

Doug Bane, Gwen Waterford, Jesse Beard, Cindy Anderson, Tina Stewart, Tom McCreary. Take bows after their performance.

What would you do if you found yourself stuck in an elevator with eleven other people and a stale fish? Or how about if you're babysitting for the first time and the children's grandmother unexpectedly drops by, offering to take over, but she calls the children by the wrong names? Well these situations were acted out by the drama club in their one-act plays, "The Lost Elevator" and "Who's That Knocking at my Door?"

Drama club not only performs the one-acts, but they also work with and perform in the Fall Play and Spring Musicals with Mr. Stan Minks and Miss Judith McBride as sponsors. Drama members learn much about the field of dramatics and have a good time too.

To become a Thespian, you must acquire a certain amount of points. To acquire points, Drama Club members are active in plays, they help with make-up, stage design, costumes, and attend performances put on by other schools.

The officers for 78-79 are Ruth Brown, President; Tina Stewart, Vice-president; Nancy Forbes, Secretary; Portia Sholar, Sgt.-at-arms.

Any interested person is welcome to attend the meetings and become an active member.

Human Relations

What are human relations?

A good human relationship is understanding of one another in a multi-cultural society.

The purpose of Tech's Human Relations Council is that: To assist in bringing about better relationships among the students, teachers, and the total school community. A good Human Relation starts with yourself.

The Council had a successful Performing Arts (in the Forum), and Christmas caroling at nursing homes. The Council has active members and some associate members who sometimes attend meetings.

This years officers are President Charles Miller, Vice-President Mary Fuller, Secretary Nancy Forbes, Treasurer Walter Smith, Sergeant of Arms William Goodall. Sponsors are Mrs. Bradshall and Mr. Griffin.

Chess Club

In the chess club the members play matches among themselves and occasionally play other schools around the city.

The club is divided into two groups: Group A and Group B. Only members of group A play against other schools.

Group A consists of Jay Carr, Matt Carter, Kevin Bailey, Alonzo McCaulley and Mark Whitney.

Group B consists of Howard Hoover, Tim Curry, Scott Mallot, Jim Turner, and Keith Kilgore.

Stagecraft

The plays that are performed at Tech would not have been as effective if it hadn't been for the Stagecraft Classes.

The Stagecraft Classes construct back drops for the stage scenery, do painting, make props and help with the lighting, stage management and sound. They've helped put on the musicals, ballets, Drama Clubs three, One-Act Plays, and FLFFFF.

Besides working on stage designs, they also do work around the school. They painted lines on the football field and prepared the auditorium for Honors Day.

DECA

DECA (Distributive Education Clubs of America) is an organization which provides involvement, responsibility, and education for a student interested in business marketing.

This year the D.E. (Distributive Education) began their activities early. Many of these activities included selling M&M, sponsoring the Titan Shack.

The money brought in from these activities are used for entry fees for competition in which D.E. students participate in the District and National contests. Students participate in merchandising, cashiering, parliamentary procedure and many more involved in selling.

IOL Intensive Office Lab

Chris Cooper looks on as the IOL students work in the lab.

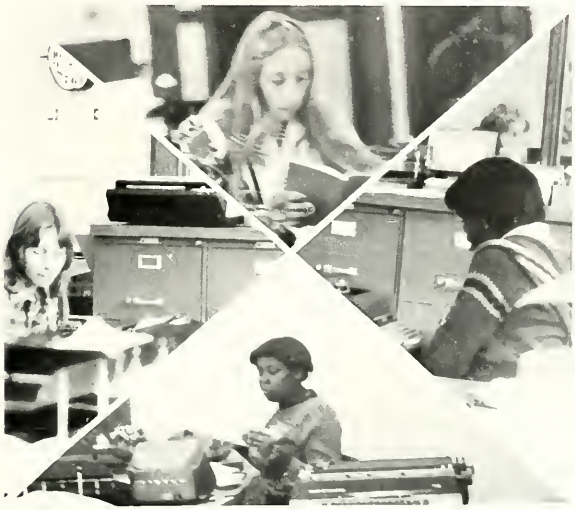
IOL—Intensive Office Lab, This course is offered to juniors who are planning a career in office work.

By combining advanced typing, clerical practice, and business machines into one course, the students will be able to see an over-all picture of an office in action.

The new lab will serve as a new lab room that was built so they can conduct daily office lines as the advanced classes continue to do.

Every advanced IOL class is an office Education Association OEA member usually participate in which they compete in different areas of business. But work is not all they do, Christmas parties were held and a special project; fruit basket was taken to a nursing home. Field trips are planned for the future.

Sponsors are Mrs. Annabelle Adams, Mrs. Ann Cummings, Mrs. Nancy Watson, Mrs. Cheryl McVay.



Reedth takes time out for a smile as she helps a friend.

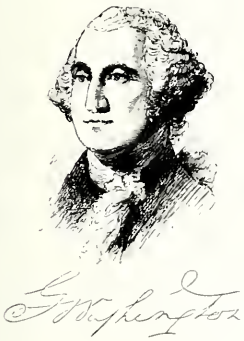
Game

Who is America's 25th President? "George Washington," replies student representative Dan Stock. OOPS!! The Brain Game Team represents Tech on Channel 13's "Brain Game." The desired qualifications are: 1) knowledge of a wide variety of facts; 2) ability to recall information quickly; 3) aggressiveness. There are four team members and one alternate. Any Tech student may apply regardless of class standing. The members are Dan Stock, Duane Williams, Jay A. Carr, and Geoffrey Davis. The sponsors are Mrs. McDowell, and Mr. Murphy. The alternate is Stacey Greene.

Left to Right: Dan Stock, Duanye Williams, Jay Carr, Geoffrey Davis. Seated, Mrs. McDowell, Sponsor.



Musical "79"

Movie stars, pickpockets, and an oil Baron add to the strange faces in the opening scene.

Adelaide, we love each other and we're going to get married. Cheer up! That's my happy girl. (Nathan and Adelaide)

Ask me how I feel now that we're cozy and clinging. (Sara and Sky)

Adelaide and the Hot Box Girls: Carol James, Bonnie Harding, Theresa Hapner, Susan Price, Barbara Humphrey, Tina Stewart, Anita Denkins, Sheila Massey, Kathy Mathews, Kathy Hong, and Stephanie Stevens.

Tim Curry, Mike Keller, Calvin Lee, Mike Wilson, Jeff Rhoads, Marcie Quintana, Walter Smith, Kent Smith, Bobby Shipman, Jay Hood, and Dan Stock.

The crap game ends in a brawl between Sky Masterson and Bug Jule, a hood from Chicago.

The plot of Guys and Dolls is centered around typical Broadway characters such as Nathan Detroit, Sky Masterson, Big Jule, Benny Southstreet, Harry the Horse, and Nicely-Nicely Johnson, all gamblers. It involves their girls and their troubles. The chief trouble being the difficulty of deciding between the rolling of the dice and the beating of the heart. There are two love stories equally wacky. The first involves the mercurial Nathan Detroit (Kent Smith), a small but hotshot operator, proprietor of "The Oldest Established Permanant Floating Crap Game in New York." Detroit is definitely, if not irregularly, devoted to Miss Adelaide (Tina Stewart), a night club canary who heads the Hot Box Girls. They have been engaged for fourteen years, but Wedding Bells have been continually postponed because of Nathan's sudden need to dash off to the Saratoga race track, superintend a particularly feverish crap game, and disappear in other mysterious ways—all of which is recounted in "Adelaide's Lament." The other romance concerns Sky Masterson (Jeff Rhoads), a big-time, free-living, free-loving plunger—a night Hawk, as he explains in the nocturnal "My Time of Day"—and Sarah Brown (Tammy Marcum), a Salvation Army lass, head of the gallant, but rundown Save-a-Soul Mission. Complications arise, but in the end every guy and doll is a winner.

Canimus ex animo

Techoir's motto is "Sing From The Heart."

They're Green, and they're Number One!! Their record shows it, like in the '75-'76 state competition, and they've been showing it all along.

We mean GREEN because when the members of Techoir get together they're not BLACK or WHITE, but they're GREEN; Tech Green!

The motto of the Titan's largest singing group is "**Canimus ex animo**" which means "Sing from the Heart". This is something we all should try.

By the way, they sound great too!!

Which singing group seems to have been caught in a TIME WARP? The Melodayres, you say?

Well not really, even though they are dressed in sixteenth century costumes this year; they are still one of the most up-to-date and active groups at Tech.

The Melodayres consists of six gentlemen and six young ladies, who will be performing at contest and various other special interest activities throughout the school year.

Yes, to coin an old phrase . . . The Melodayres are really into the "sing" of things this year!!

Octette?

We have a popular singing group here at Tech that can do a great job of singing, but just can't seem to count to eight. That's none other than the Boys' Octette, which has twelve members to its eight member name. These guys may not be good at math, but they are on their toes, as their busy schedule requires.

Is it the twelve most beautiful faces of Tech or the twelve most beautiful voices of Tech that make up one of the most popular singing groups at Tech? But, in the case of the Girls' Ensemble, does it really make a difference? Not really, because these busy little ladies are just as enjoyable to watch as they are to listen to. Just ask around!

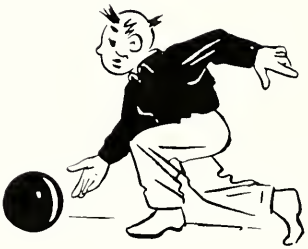
Every Tuesday night after school the Bowling Club meets to see which team is the best.

The teams are divided into three or four players and play each other for the fun of it and the competition.

They bowl on the handicap system where no matter how bad you are in bowling you always have a chance to win.

At the end of the year the top teams will receive trophies for their performance.



The Genealogy Club is a new club at Tech this year.

Genealogy (the study of the descent of a person or family from an ancestor) is one of the fastest growing hobbies in the United States!

Students interview relatives and check old family Bibles and start making family group charts. These charts usually go back to ancestors who were living in 1900 or the late 1800's. With this information, students learn to check census records, cemetery records, birth, death and marriage records, land records, military records, naturalization records, etc . . .

Students also find out about family traditions. They also learn about old houses, farms, furniture, pictures, recipes, heirlooms, etc. Of special interest are old Christmas and Easter decorations and traditions from the old country.

Club members make visits to the Indiana State Library (Genealogical section), Marion County Public Libraries, the City-County Building, local cemeteries, and Ye Olde Genealogy Shoppe.

From time to time guests come to talk to the club.

Students learn a great deal about research, history, geography, and medical records while they are looking for their ancestors.

This is a life-long hobby!

Tech students acquired a new association for the advancement and glorification of mathematics. The nationally organized Mu Alpha Theta Mathematics Society came to Titan-land.

Tech is only the second school in Indianapolis to sponsor the society. Society members go on field trips, study mathematical sciences, and solve more complex equations than they would meet in class. The society appeared just in time, as the old math club had ceased to be.

This year's officers are Duane Williams, June Sanderson, Anthony Warfield and Ilias Sotos.

Tech Key Club: An Active Group

The Tech Key Club has been a very active group this year. The group has been rated tenth in the state of Indiana, and anticipate to move up even further in the coming year.

Some of the Key Clubbers activities include: collecting money for the Jerry Lewis telethon, sponsoring the Homecoming, ringing bells for the Salvation Army, a canned food drive, candy sales, and participating in the Indiana District Convention in French Lick, Indiana.

Diana Evans, president, begins each meeting with the Pledge of Allegiance, followed by the Lord's Prayer, also led by Diana Evans. The secretary, Lisa Aubrey, manages monthly reports sent out to the Key Club Governor.

The Key Club takes pride in what it stands for, and hopes to become even stronger in the future.

SAO In Action

Working hard trying to handle tough tasks and solving many problems of the student body, the SAO (Student Affairs Organization) members have accomplished many throughout this school year.

The SAO have had car washes to help make money; a student v. faculty basketball game was held with a 50's dance following the game. All of the proceeds of this amusing game goes into a scholarship fund in which a senior is chosen by faculty members to receive the money towards college.

The officers this year were President—Marilyn Lucas, Vice-President—Sharon Maye, Secretary—Carol James, Treasurer—Richard Caudell, Sgt.-at-Arms—Robbie Longston.

This was SAO's rebuilding year, the purpose is to get students interested into school activities.

Students in Tech's vocational classes not only learn a lot, but they enjoy the process. Special projects are often worked on as part of class.

Foreign Language Fun For Flight Fare

Master of Ceremonies Amy Michael speaks.

Once a year the foreign language department gets together and presents their annual Foreign Language Fun for Flight Fare. Each foreign language club participates, this includes the French, Latin, Spanish, and German clubs. Each club member puts his or her ideas together with other students to bring to the stage an interesting and hilarious program. The crazy costumes they wear and the many laughs they receive are all the evidence they need to realize they have accomplished their goal.

Tech 300s entertainment track meet

Tech 300 has been in progress since 1976. This program was designed for students with problems such as not wanting to go to school (dropouts), financial problems, and students that need individual help from a teacher.

Tech 300 staff and teachers really deserve some appreciation for devoting so much of their time to helping these students.

This program was not only to help students with their problems in school. Last year, 1978, the Tech 300 students were taken out side of school for activities such as Ice-Capades at Market Square arena, Holiday on Ice, and camping.

This year they have done even more. They were taken to the Pacer game, they've had parties, dances, and lots of other things.

And the year's not over yet!!!

ROTC New And Improved

This year's ROTC battalion was new from top to bottom. New instructors checked in, in the forms of SFC Aratha Smith, and the new SAI, 1st Neris Willis. Eight new officers appeared from OCS. And finally, the battalion formed a new drill team.

But the most significant change in the battalion, was the new achievements made. Tech won first place in the Veteran's Day Parade marching contest. A new system of training, where seniors teach juniors to fill their positions, was installed. Even the extracurricular activities improved.

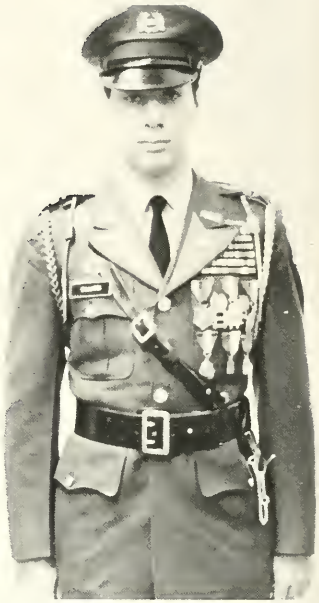
The rifle team improved tremendously. They fired 200 points over the team average up to 1400 points. Team commander Duane Williams said, "We're 100% better."

The IDR drill team, under new Commander Reese Greer, was larger in '78 than in the past 4 years. They were ready for the year's first drill meet, a feat not mastered last year.

The boys started a new exhibition drill team this year. 'A' team commander Bobby Johnson led the regular exhibition style, while 'B' team leader Charles Jackson concentrated more on Marine style of drill.

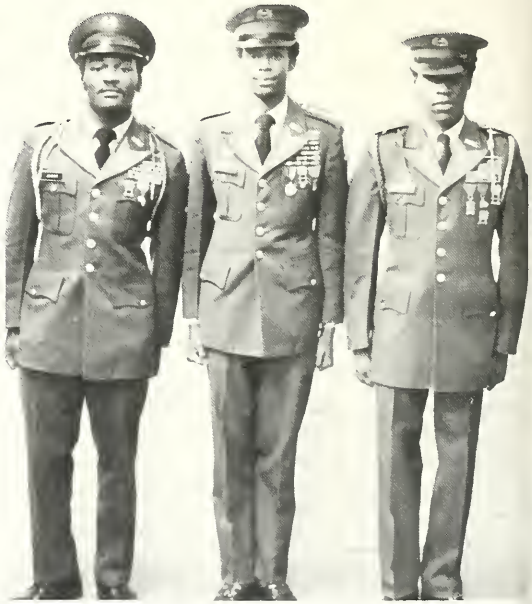
Staff officers were more functional this year than ever before. And even the barracks were renovated.

ROTC is proud of its achievements this year. It can only get better.



Brigade Commander Col. Duane Williams

Instructors left to right: m/sgt James McDaniels, 1st/sgt. Neris Willis, Sfc Astera Smith.



Company Commanders: Left to right: Maj. Bobby Johnson, Capt. Alfred Officer, Capt. Charles Jackson.

Battalion Staff
1st: BNCO Denny Holt, SI Mark Culp, S5 Dennis Stokes, BNXO Dan Stock. 2nd: S2 Steve Bush, S3 John Wilkerson, S4 Charles Bear.

The Staff stays in line.

Front Row: 2nd Lt. Tod Johnson, Maj. John Wilkerson, Capt. Steven Bush, Maj. Bobby Johnson, 2nd Lt. Reese Greer, 1st Lt. Jeffrey Owens, Row 2: Lt. Col. Dan Holt, Capt. Alfred Officer, 1st Lt. Mark Culp, 2nd Lt. Terry Woods, Capt. Alice Fletcher, 2nd Lt. Mary Murphy, Capt. Charles Bear.

Bobby Johnson commands his company in the Veteran's Day parade.

The staff looks proud in a ceremony.

Cadet Titans On Parade

Largest unit in parade, marches to a first place finish.

Color guard puts it together before the parade.

Company "B" where it counts: the reviewing stand.

Where credit is due: 1SG Willis and SFC Smith inspect the troops in practice.

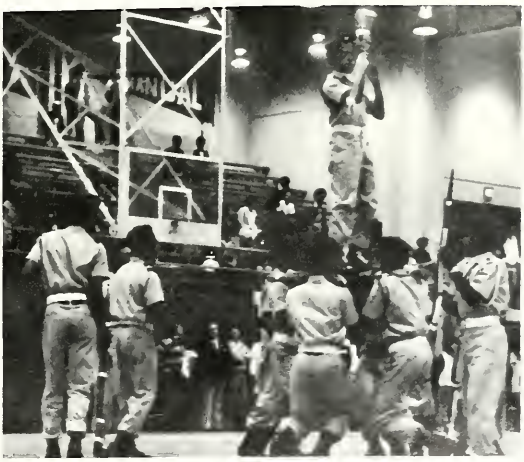
Spotlight on the color guard.

Battalion Staff proceeds the unit past the reviewing stand; it's now or never.

Boys' Exhibition Drill Team—Front Row: Mark Culp, Bobby Johnson, Charles Jackson—Commander, Middle Row: Jeffrey Owens, Auzzie Heard, Ozzie Hert, Reginald McDade, Top Row: Michael Jackson, Thomas Fowlkes, Mark Lee, Jodie Clay.

Boy's Exhibition Drill team was once again in good form. They practiced every morning before school: to learn their form of drill, it was necessary. The drill they perform does not come from any manual. It's choreographed by the drill team commander. Whether fancy movements or spinning rifles precariously overhead, it's all pushed to perfection. Maj. Bobby Johnson should be able to whip his team into great shape.

Girls' Exhibition Drill Team—Kneeling: Terry Woods, Janet Phelps, Middle Row: Joyce Smith, Dimita Campbell, Back Row: Barbara Evans, Sherry Harris, Katrina Hooten.



Tony Chapman is left up in the air during a performance.

ROTC offers just as much fun to the girls as they offer dedication. One Activity that only the gals can do is the girls exhibition drill team. Though they drill with rifles, their turns, snaps and pivots are just that much more complex. Though small this year, c/2lt Jerry Woods, the commander, should still field a good competition.

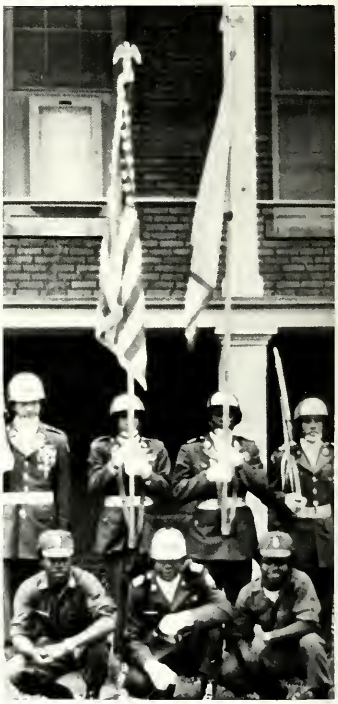
Row 1: Daniel Stock, Tony Burks, Steven Richardson, Jerry Dodson, Andrew Munden, Curtis Chapman. Row 2: Troy Crim, Daniel Perez, Anthony Thompson, Barry Mallery, Robert Barnett, Harry Jones. Row 3: Rhillip Groggs, Warner Colyer, Keith Martin, David Murry, John Holcomb, Reese Greer.

Back Row: c/pvt Ronald Stiers, c/1lt. Dan Stock, 3/l lt Keith Martin, c/cpt Charles Bear. Front Row: c/col. Duane Williams, c/2 lt. Todd Johnson, c/cpt Charles Jackson, c/l lt. Mark Culp.

This year's rifle team was vastly improved. From the jest of the city, (6th to 8th place), they moved up to 15th in one match. The individual average was 235 points for each of the six team members. The team overall moved from 1200 points a match up to 1400 points a match. "We're 100% better than last year," commented commander Duane Williams.

The team fires after school every Monday, Tuesday and Wednesday. "All it takes is practice, that's all they need," was the observation of sponsor, MSG James Mac Daniels.

Boy's IDR is interested in only one type of drill precision. Everything they do is spelled out clearly in a manual. To be the best, they most exercise each movement with exact perfection; that is a skill which must be taught. IDR got an early start this year under new commander Reese Greer, appearing in a quick drill meet. By years end, they should collect some trophies.



Kneeling: Charles Jackson, Charles Callahan, Mark Culp. Standing: Brion Thompson, Michael Shelton, Rodney Brown, Kevin McDave.

Tech is unusual, in that it has **two** color guards a boy's and a girls. The color guards present the national and state flags at all athletic events. They also march as a separate unit in all of the battalion's ceremonies. Both the boy's and girls color guards perform at other ceremonies by request. Commander of the girl's color guard is c/2LT Terry Woods; while c/cpt Charles Jackson led the boy's unit.

Girls' Color Guard—Terry Woods, Janet Phelps, Dimita Campbell, Barbara Evans.

Flag Detail—Kneeling: Auzzie Heard, Curtis Chapman, Michael Jackson, Reginald McDade, Standing: Mark Lee, Dan Stock, Jodie Clay, Tyrone Taylor.

One of our battalions most important services to the school is the raising and lowering of the national flag. Weather permitting, you'll see the flag detail in front of the cafeteria every morning and afternoon, tending the nation's symbol. Though small, the detail strives hard to pay honor to the country's emblem. C/1LT Mark Lee is the detail commander this year.

Tech's ROTC battalions provides another valuable service to the school: Bandguard helps keep the athletic events under control; they keep spectators out of where they don't belong. This year's commander is C/1LT Mark Culp.

Boys' Color Guard performs in Veterans' Day Parade.

Band Guard—Kneeling: C/SSG Richardson, C/PFC Thompson, C/1LT Culp—CO, C/SFC Burks, C/SFC Stokes, C/PVT Chapman, C/CPL Hall. Standing—1st Row: C/PFC Sims, C/SFC McDade, C/CPL Jackson, C/SGT Heard, C/SFC Mallory. 2nd Row: C/PFC Akers, C/MSG Woods, C/2LT Greer, C/CPT Jackson. NOT PICTURED: C/1LT Owen—XO, C/1LT Chapman.

CONGRATULATIONS!

You, the class of 1979, have reached an important goal in your lives—the completion of high school.

Whatever your plans for the future, we at RCA know your many hours of conscientious studying will serve you well in the years to come.

Our warmest congratulations and wishes to each of you.

CONGRATULATIONS

CLASS

OF 1979

From the Senior Members of the J R O T C

From the desk of the SAI;

I would like to take this opportunity to wish the class of '79 the best of luck in the years to come. Now that you are graduating, you are going to take that first big step out of the security of home and into a life of joy and sorrow.

As you look back on your high school years, you'll remember all your friends that you left behind and look forward to the challenge that life has to offer.

Once again I would like to say, "Congratulations Class of '79"

1st SGT. Neris Willis

To R.O.T.C.

Remember, enter to learn, go forth to lead.

From the instructors of JROTC

To a very nice teacher
Mrs Eads Thank You 79-82

To Miss Eads
To Miss Eads
a nice determine
teacher who tried
to teach me
something but
I fell to
learn

To Miss. Eads
One of the nicest and
sweeter teachers at Greenwood
Technical high school. You are
also one of the most accident prone.
I enjoyed my semester with you
when you were here and I hope
to have you for a Teacher again be-
fore I graduate '80'. Take care
